Where Should Entities Outside Canada Register for GST/HST Purposes

The Canada Revenue Agency ("CRA") has many tax services offices. Entities registered in jurisdictions outside of Canada who are carrying on business in Canada and wish to register for goods and services tax/ harmonized sales tax ("GST/HST") purposes must determine the CRA office location with which they are supposed to communicate. The good news is that the CRA has a [web-site that helps non-resident entities identify the appropriate CRA office](#).

This is so much easier than the old method of looking for a written statement.
